

## Why do you sell your demo?

Friday, 15 February 2008

Last Updated Friday, 15 February 2008

PipBoxer demo unlike other demo/trial products does not come with an expiration date. We believe that you may need more than one month to decide purchasing the commercial version. That's why we sell the demo and in return remove the expiration date from it. For more information about PipBoxer demo please visit [www.pipboxer.com/pbdemo.php](http://www.pipboxer.com/pbdemo.php)
